

Red House Unique™

The Red House in Chester is the home to our special corporate service, Red House Unique™.

Whether it is a business meeting with clients or colleagues, or a training event, or a corporate celebration, or a product launch - if you are spending money to achieve a goal or objective, you surely want to get the biggest bang for your buck!

And the biggest return on your investment? Being remembered.
That's what The Red House gives you - a truly memorable experience.

We can bespoke any type of event...

...so no pigeon holes, no being forced into canapé option A or drink option B, no being told what you can and cannot do. It's your event, so you tell us exactly what you want. And whatever you choose, and whether you want a single table, or a section of The Red House, or the whole of The Red House, you know that it's going to have the WOW factor. Why? Because The Red House is the ultimate WOW venue.

Red House Unique™

Perhaps arrive by river boat
at our private landing stage...

...or take welcome drinks on the lawn,
served by your dedicated 'Corporate
Butler'. What better place to relax and
to do business than in the river garden
at The Red House - with stunning views
across the River Dee and out towards
the Ancient Meadows?

For smaller events, why not enjoy
Champagne and business chat on the
beautiful river launch? For larger events,
take over the whole place and brand it!
Remember, it's your gig - and we'll do
whatever we can to make it memorable.

Red House Unique™

And what about some other WOW stuff?

Well, how about fireworks from the landing stage? How about all the latest technology gizmos if you are giving a presentation or speech? How about live music to suit your requirements and taste? How about theming the whole building and gardens? Oh, and how about the food? The food is such an integral part of everything that you and we might do together, that we can assure you that it too is rather special.

The pictures look fantastic, but there really is no substitute for actually visiting The Red House. If you've not been before, or if you want to chat through your corporate requirements, then we would be delighted to hear from you.
