‘Fly First Class’ with The Red House

This is our special menu. We wanted to try to recreate that great feeling you get when you turn-up at the Virgin Atlantic or British Airways check-in desk to be told you have a complimentary upgrade to first class! OK, so technically it's dining rather than flying, but even so, it's brilliant 'first-class' food at 'economy class' prices, and with a free glass of bubbly!

The ‘Fly First Class’ menu changes frequently, and is available Monday to Friday, from midday to 6pm.
